The Haliwa-Saponi Tribal School will comply with the provisions of the Gfeller-Waller Concussion Awareness Act:

a. All coaches, school nurses, athletic directors, first responders, volunteers, students who participate in interscholastic athletic activities, and the parents of those students shall receive, on an annual basis, a concussion and head injury information sheet. School employees, first responders, volunteers, and students must sign the sheet and return it to the coach before they can participate in interscholastic athletic activities, including tryouts, practices, or competition. Parents must sign the sheet and return it to the coach before their children can participate in any such interscholastic athletic activities. For the purpose of this subdivision, a concussion is a traumatic brain injury caused by a direct or indirect impact to the head that results in disruption of normal brain function, which may or may not result in loss of consciousness.

b. If a student participating in an interscholastic athletic activity exhibits signs or symptoms consistent with concussion, the student shall be removed from the activity at that time and shall not be allowed to return to play or practice that day. The student shall not return to play or practice on a subsequent day until the student is evaluated by and receives written clearance for such participation from

The plan shall include a delineation of roles, methods of communication, available emergency equipment, and access to and plan for emergency transport.

This plan must be (i) in writing, (ii) reviewed by an athletic trainer licensed in North Carolina, (iii) approved by the principal of the school, (iv) distributed to all appropriate personnel, (v) posted conspicuously at all venues, and (vi) reviewed and rehearsed annually by all licensed athletic trainers,
